

Appl. No. 10/650,505
Supplemental Amdt. Dated July 13, 2005
Reply to Office Action of June 3, 2005

Attorney Docket No. 81872.0051
Customer No.: 26021

REMARKS:

The Supplemental Response to Restriction Requirement is hereby submitted to correct a typographical error correcting Claim "21" in the election of claims to read Claim "20" in the prior Response which was filed on July 5, 2005. Namely, the elected claims were erroneously stated as "claims 13, 15, 18-21 and amended claim 14". Likewise, in the election of species, the claims were erroneously stated as "13, 15, 18-21 and amended claim 14". Claim "21" should have read Claim "20".

Claim 14 is amended. New claim 22 is added. Claim 22 corresponds to original claim 14 with the species silicon deleted. Claim 22 is added, so that if a generic claim is held to be allowable, claims to non-elected species will be allowed also. Claims 1-22 are pending in the application. Examination and consideration of the application, as amended, are respectfully requested.

Response to the Restriction Requirement:

In response to the Restriction Requirement dated June 3, 2005, Applicant elects for prosecution the claims of Group II, claims 13, 15, 18-20, and amended claim 14 drawn to a method of texturing a substrate by dry etching, classified in class 216, subclass 045.

The Applicant further elects silicon in response to the requirement to elect a single species. This election is without traverse. Claims 13, 15, 18-20 and amended claim 14 read on the elected species.

If for any reason the Examiner finds the application other than in condition for allowance, the Examiner is requested to call the undersigned attorney at the Los Angeles, California telephone number (213) 337-6810 to discuss the steps necessary for placing the application in condition for allowance.
